

At Mad River, our staff of PGA Professionals is committed to growing Junior Golf and we are proud to say that our Junior Academy is now powered by Operation 36. This is a unique curriculum-based platform for players of all levels to learn to play the game from the green, back to the tee.

Operation 36 is a long-term family coaching program designed to progress golfers towards shooting par or better for 9 holes. Golfers of all ages and abilities can join a local training community and begin progressing through the six levels of development. Each golfer is issued a profile in the Operation 36 App where they can view objectives, log golf actions, track progress, and connect with friends in the social activity feed. Programs are led by our PGA Professionals who utilize the Op 36 Framework to provide the best environment to help your junior toward improving their game and achieving their goals.

The curriculum consists of 6 divisions and within each division, there are 12 subjects for a total of 72 objectives. Every student starts in Division 1 and once they shoot 36 or better for 9 holes, they progress to the next level with the goal of shooting 36 from the full tee box.

For more information regarding the program, contact our Teaching Professional [Ryan Rinneard](#).
